

## BOOK-MATCHED BLACK WALNUT CRANK TABLE

TA-5112

This table combines the rich, intricate characteristics of two exemplary materials: cast-iron and walnut. Bookmatched slabs form the top and the adjustable base is from a machine found in a prewar furniture factory. No two castings are alike, and the slight imperfections are perfection to the eye—especially when paired with the warmth and grace of walnut's elegant color and figure. The stretcher is a solid walnut beam and the crank wheel on the side controls the table height from 24"–33"

LENGTH — 96"  
WIDTH — 40"  
HEIGHT — 26"–35"
