LINE OF COMMERCIAL PRODUCTS

## INDUSTRIAL REIMAGINED

Our Swing-Out Seats & Tables lie at the heart of the industrial-modern aesthetic of American furniture.

Reminiscent of the cafeteria tables found in early-20th-century schools and factories, The Get Back Original Swing-Out Seats & Tables are two of our hallmark products. The seats are sand cast with premium ductile iron, and the tables are fabricated in our Oakville workshop.

Designers have found our Swing-Out Seats & Tables are the perfect alternative-seating solution for their commercial projects like beer gardens, communal-dining restaurants, coffeehouses & cafes. These are also ideal for home use in the kitchen or dining room.

Our Swing-Out-Seats & Tables are built to suit and are fully customizable. Options include number of seats, height, length & foot rail. Choice of materials: ipé, oak, pine, poplar, alder, walnut, reclaimed, steel, glass & more. Outdoor options available.
